

Future First Graders

We are looking forward to having you in first grade. It will be a year of learning and fun. See you in August!

Here are some of the supplies we will be using in school during the year:

- 3-4 sharpened pencils
- Scissors
- Supply box (not too large)
- Crayola crayons (preferably no more than a 24 box)
- Backpack - Please, just bring a regular one. Packs on wheels are a safety issues as far as tripping. Cinch sacks are difficult for the students to pack.
- 3 Glue sticks and 1 small bottle of glue
- Bottle of hand sanitizer (Please no individual bottles)
- 2 Boxes of Ziploc bags - one quart and one gallon
- 2 boxes of tissues
- 3 two pocket folders (1 yellow, 1 blue, and 1 your choice)
- 2 black dry-erase markers (Preferably thin ones for writing)
- Lysol Wipes

Please do not bring binders or spiral notebooks due to lack of storage space.

****Please label all supplies to avoid confusion****

Have a safe and happy summer!
Ms. Litman/Mrs. Herback
